

Festival of Design

Dear Friends,

This year we are delighted to collaborate with the National and Edinburgh teams celebrating Scotland's talents as part of Visit Scotland Year of Innovation, Architecture and Design.

You are warmly invited to visit Gayfield for two new exhibitions opening this weekend Saturday 14th May and running daily 10am to 4pm until 24th May.

Building the Century Scotstyle

Daily 14th - 24th May 2016 10am to 4pm

Survey the top 100 buildings from across the nation with your chance to vote for your favourite from 100 years of inspiring design.

Craft in Architecture

Daily 14th - 24th May 2016 10am to 4pm

Craft skills bring to our culture much of what is beautiful, humane and delightful. Visit to see this contribution through the eyes of makers in Metal, Wood, Glass, Earth and Stone.

Everyone an Artist, Everyone a Scientist

Our lively series of talks and walks continues. Following our talk on Sustainable Development and our Eco City project by St Mary's Primary School, you're welcome to join the Fun Palaces' Team tomorrow evening in planning for October's celebration of community arts and science.

As ever, check out our Events Page and Facebook for our diary and more details including trailer news of Archifringe at Gayfield in July.

We hope you find time to visit and look forward to welcoming you. Best wishes from the Team at Gayfield.
